

Custom-made Quality Furniture

# Churchill

Our Churchill is an extremely sturdy chair that can be custom-made to look modern or traditional – depending on your décor and setting. We can design it to suit your lounge room furniture or it can be a standalone day chair for that special corner.

Its high back, comfortable arm rests and fully-upholstered seat cushion makes this an easy chair to get in and out of.

The Churchill has a high back or low back option, and can be made as a single chair or two-seater.

**Frame:** The Churchill has an MDF timber frame. The standard stain is Teak but it is also available in Baltic or Walnut to suit your décor.

**Seat Cushions:** The Churchill has fully-upholstered seat cushions.

We use Dacron-wrapped Dunlop foam on the seat, which comes with a 5-year structural guarantee.

**Seat and Back Suspension:** Interlaced VG 775 webbing is used on the Churchill, which comes with a 10 year guarantee.

## DIMENSIONS:

Dimensions	Chair Height	Chair Depth	Chair Width	Seat Height	Seat Depth	Seat Width
